

Priyanka Darshini comes from the southern state of Tamilnadu. Her Father is doing a small business and her mother is a house wife. She is currently studying in standard III in our school and also benefits from our hostel facilities

Priyanka Darshini is a good student; her academic performance during the previous academic year was very good, she passed with a first class. She is not just good in theoretical subjects but she is also good in practical subjects such as; orientation and mobility, Daily living skills, Craft, Sports and games etc. She is also good at Braille she is able to read and write in Kannada and English, she is now learning Hindi Braille and is picking up quickly.

Darshini is interested in nonacademic activities as well, she is good at dance and participates in the cultural events held in the school, and she is also a part of the Jyothi Seva junior western music choir. In the present academic year she has also started to learn to play the Tabala and is also learning Carnatic music.

We at Jyothi Seva are happy with Priyanka Darshini's performance and wish her all the best.
